INNER EDEN, 13, blinks multiple times.

INNER EDEN
(groans)
W-what? Where am I?

Inner Eden hits her head. She is in a trunk.

INNER EDEN
Owwww.

The trunk shakes, Inner Eden kicks it open.

INNER EDEN
(yawns)
My head hurts.

Inner Eden looks up and sees a screen of EDEN asleep.

INNER EDEN
Oh good, we're still asleep.

Inner Eden gets out of the trunk and falls.

INNER EDEN
Ow.

Inner Eden walks towards the control panel under the large screen.

INNER EDEN
Time to wake up, girlie.

Inner Eden presses some buttons and flips some levers.

2 INT. KITCHEN - MORNING

Eden eats breakfast at the dining table with MOM, AUNT JULES, and ELI.

MOM

So, Eli, what are you looking forward to at school today?

ELI

My friend Chip said he's gonna bring bubblegum from home, today! I'm gonna blow the biggest bubble!

MOM

Fun! Will it be sugar-free?

AUNT JULES

The kid's name is "Chip" and that's what you're worried about?

MOM

I'm sure it's short for something.

ELI

It better not be, sugar makes the bubble bigger!

MOM

And cavities deeper...

AUNT JULES

Laura... it's bubblegum.

EDEN

I'm excited for soccer practice!

Mom and Aunt Jules stop eating.

MOM

Really?

EDEN

Yeah, of course, it's only my favorite thing.

MOM

Okay then.

(to Aunt Jules, mildly
amused)

Excited for soccer practice.

Eden scores a goal in practice and celebrates.

EDEN

Woo!

ABIGAIL approaches her.

ABIGAIL

Wow! This is the best you've played all season!

EDEN

Yeah it is! We're gonna crush the Ravens on Saturday!

ABIGAIL

(laughs)

Yeah! See you tomorrow!

EDEN

Bye!

 (laughs)
 it was so funny. He's so bad at math.

AUNT JULES
 Wow! Sounds like you had a good day!

EDEN
 Yeah.

Aunt Jules starts to collect plates from the table and take them to the sink.

EDEN
 (to Eli)
 Do you want me to read you some Harry Potter before you go to bed? I know you're on the fourth one and that one can get a little scary.

Aunt Jules, Mom, and Eli all stop what they're doing.

ELI
 No, I'm probably just gonna go to bed.

Inner Eden turns.

INNER EDEN
 What?

Ardenia knocks Inner Eden out with a baseball bat.

You just want me to take those because you think I'm crazy.

MOM

(concerned)

What? No, Dr. Sall prescribed these to help you. Didn't you notice a difference today?

EDEN

I noticed I was boring.

MOM

But you had such a good time at practice! And you got invited to Rosie's party...

of my room?

INTERCUT

INTERCUT

6B

INNER EDEN
I've got to fix this.

Inner Eden tries to press some buttons.

Ardenia tries to stop her.

ARDENIA

Ardenia tackles Eden to the ground.

EDEN
(crying)
I'm sorry mom, sometimes I feel
like you don't want me to be myself
because you don't like me.

Mom sits on the bed next to Eden.

MOM
Oh, baby, of course I like you. I
like you a lot. I love my little
Eden, and today, you *were* yourself.
You *were* excited, and confident,
and laughing. You *were* my little
girl again. I haven't seen you like
that in a long time, and it's
because we went and got help.

EDEN

(sniffles)
I'm not little.

MOM
(smiles)
No, no you're not. So can you be a
big girl and take your meds for me?

INTERCUT

MOM
Okay.

Eden takes her pill and drinks some water.

MOM
(cont.)
You get some rest, dear.

Mom kisses Eden's forehead and turns off the light.

INTERCUT

6B INT. MINDSPACE

6B

Ardenia stands.

ARDENIA
What the hell was that for?

Inner Eden stands.

INNER EDEN

She's *trying* to help us. Who are you anyways?

ARDENIA

I'm the one who's been running everything. And I was doing *fine* until you woke up. I had you locked in that trunk for a reason.

INNER EDEN

You put me in there?

ARDENIA

Well duh.

(sarcastically)

"She's trying to help us!"

(normal)

No. *I'm* trying to help you. *I'm* the one who's been keeping you safe the last year. And *you* are going to go back in your trunk as soon as I can figure out how to get rid of you again. Now, those pills are giving me the worst headache, so I'm gonna go lay down, and you can watch her sleep all you want. But in the morning, when she wakes up, that's all me. It's what's best for us.

INNER EDEN

Us?

(disbelief)

There's no us.

ARDENIA

Oh yes there is. Like it or not, I'm part of you. So, get used to me toots because I'm gonna be here a long, long, time.

FADE TO BLACK.
